## RELATIONSHIPS WITH

BODY OF  
CHRIST

- Plan a fun night at Trinity - watch a Christian comedian video together, play board games, facilitate sharing of funny experiences. Laugh, share, and enjoy one another.
- Look for opportunities to encourage a fellow Christian with words, a card, phone call, text or whatever God is placing on your heart to do.
- Encourage and support the people who have taken leadership roles in the church and school; they often hear complaints, not compliments. Pray for them and say “yes” if you can when they ask for help.
- Make it a goal to push back against gossip and negativity by speaking from a heart of love.
- Ask several friends to help you work on planning a men’s fellowship event or a women’s faith retreat.
