Module 8: Prayer and the Lord's Prayer

Week 2: Daily Bread and Forgiveness

- **Ask each other what they would like prayer for...Then pray out loud together.
- Watch the 2 videos from LutherHouse of study
- Read Small Catechism Lord's Prayer Petitions 4 and 5 (pg 12- 13)

Main Questions to Consider:

- What is daily bread?
- God gives daily bread to all people, even sinners. Does that seem fair? Why or why not?
- "Sins" or "trespasses," is there a difference?
- Talk about the difference between saying "That's OK" and "You're forgiven" when someone apologizes to you.
- Think of the word "sin." How do you react when you are called a sinner? Are you comfortable with that, why or why not?

Extra Credit:

- Have you heard of the "Prosperity Gospel"? That is the idea that God rewards Christians with material things, with prosperity. Is that what Jesus is telling us in the Lord's Prayer? In other words, is Jesus telling us that we must pray first, in order to receive things from God?
