Main Questions to Consider:

- What makes you nervous about praying out loud?
- What are ways you describe a Father?
- How is praying the Lord's Prayer sending it to the "right address?"
- How do we hallow God's name?
- How does God's kingdom come?
- When you have doubt about God's will for you, are you at peace?
- With that in mind, talk about how praying these words Jesus gave us makes you feel.

Extra Credit:

- Come up with a scheduled time to pray together each day as a family. Who is praying? What are you praying about?
